

# Get the skills!

## Communicating With Customers

### First impressions count!

Take your business to the next level by enhancing your communication skills. For Businesses it is essential that you communicate effectively and efficiently with your customers in the marketplace.

With our FREE course you can create that lasting first impression

- become a better communicator
- maintain customer relationships
- encourage sales
- Learn how to use iPads and computers effectively and creatively.

We can offer:

- Small FREE classes
- Flexible learning
- A recognised City and guilds qualification.
