

Swansea University Bay Campus

Public Open Afternoon

Saturday 10th October, 12noon – 4.00pm

We would like to make you aware of the following opportunity for members of the local business community and the general public to see the completed first phase of the development.

Swansea University is inviting local people to join them for this first Public Open Afternoon when visitors will be able to take a guided tour of the fantastic facilities on Swansea University's new Bay Campus, take a peep at the accommodation on offer for students and get a feel for its fabulous location overlooking Swansea Bay.

As well as guided tours, there will be exhibitions, displays and interactive activities, plus a talk about the Bay Campus and the University as a whole. Everyone is welcome and the programme will include something which will be of interest to all ages, so do bring the whole family along.

Please register to come along
